**Discover new ways to increase peace in your world.**

Enjoy a **hands-on, fun, activity-based experience** (no note-taking!) in an intensive weekend workshop. You'll **connect deeply with others**, laugh, **share, and listen** while learning ways to **reduce conflict** in your **classroom**, your **family**, **at work** or **in the world**.

**Treat yourself** to this workshop purely for personal growth, or make it a first step toward facilitating additional workshops.

Alternatives to Violence Project (AVP) helps us explore **the power we all have to change hostility and destructiveness into cooperation, community, and justice.**

AVP is a multi-cultural organization of volunteers offering interactive workshops that teach skills of non-violent conflict resolution and empower people to lead nonviolent lives, through **Affirmation**, **Communication**, **Cooperation**, **Community**, and **Creative Conflict Resolution**.

The workshop will be held Friday evening, all day Saturday, and Sunday afternoon for a total of 17 required hours.

**Registration** fee is \$30; Saturday lunch and snacks for whole workshop are included.
